D'VINE MEDICAL

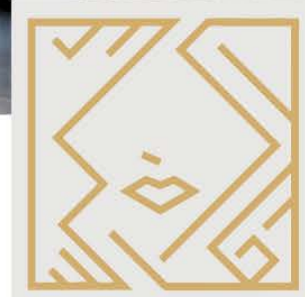

Aesthetics Training Venue

D'VINE MEDICAL presents the first of its kind Aesthetics Training venue where we partner with Companies who have the same passion, the love of upskilling the Aesthetics and Beauty industry.

An industry where our clients expect great service and knowledge, along with the luxury feeling. D'VINE MEDICAL Aesthetics Training Venue offers exactly that, a training venue where you feel right at home.

With two interlinking procedure rooms, equipped with everything you would need, you will feel like you are right back at your practice, ready to educate.

Our warm yet, Modern and state of the art training venue includes Free WiFi connectivity, multimedia, and audio visual and can accommodate live streaming/ and or Webinar functionality.

It's not just any venue, it's a D'VINE Venue.
